

COVERAGE COMPARISON

REPAIR COSTS

Chassis

Water Pump	\$ 479.20
Air Conditioner Compressor	\$ 722.72
Electronic Control Module	\$ 417.78
Right Side Head	\$ 1786.50
Timing Chain	\$ 562.12
Radiator	\$ 1258.54
All Injectors	\$ 1043.16

Box

Refrigerator	\$ 1764.95
Water Heater	\$ 835.95
Air Conditioner Compressor	
Roof	\$ 652.00
Basement	\$ 1032.20
Generator	\$ 4599.95
Invertor	\$ 1761.45
Awning	\$ 1506.00
Hydraulic Jack	\$ 856.50

Repair costs were calculated based on RVDA Labor List and a national average of \$85 per hour for labor.

**Protection
for Your
Home
Away
from
Home**

EasyCare® is our promise to you that your new or used RV will be protected from costly repairs.

Your RV is your home away from home. Like your home it has many appliances and pieces of hardware (i.e., hot water heater, air conditioner, etc.). Unlike your home it has a drive train and many other mechanical items. And, taking your RV on the road subjects all the components to unusual strains. That's why every RV should include an **EasyCare Extended Vehicle Service Contract**, the most comprehensive vehicle service contract in the RV business. The coverage is the same whether you purchase a new or used RV. Whether it's your microwave oven, satellite dish* or drive shaft, you can be assured that you are covered. So, ask your dealer about an **EasyCare Recreational Vehicle Extended Vehicle Service Contract** to protect your home away from home.

EASYCARE

*See your actual extended vehicle service contract for details. See individual state requirements page. Benefits may vary to conform with the laws of your state.

TOTALCARE MOTOR HOME

TotalCare Motor Home covers all components and parts listed below (1-27) including the Optional Vehicle Features PLUS thousands of parts we are unable to list here.

STATED COMPONENT MOTOR HOME (1-27)

- 1. ENGINE** Cylinder head(s), cylinder block, cylinder sleeves/liners. All internally-lubricated parts. Timing belt and tensioners, eccentric shaft; oil pump; oil pan; exhaust manifold(s); intake manifold, engine mounts and cushions; timing cover; valve covers; harmonic balancer; ring gear; flexplate; diesel engine vacuum pump; turbocharger, wastegate, oil cooler.
- 2. TRANSMISSION** Transmission case; torque converter and all internally-lubricated parts thereof; vacuum modulator; internal linkage; mounts; oil pan; cooler and cooler lines, transmission control pad, control module.
- 3. DRIVE AXLE/TAG AXLE** Differential housing; final drive housing; and all internally lubricated parts thereof; axle shafts, constant velocity joints; universal joints; drive shafts, hub bearings; center support bearing; bearings.
- 4. STEERING** Gear housing and all internally-lubricated parts of the steering gear box; rack and pinion gear; power steering pump; main and intermediate steering column shafts and couplings; cooler; power cylinder; Pitman arm; idler arm; tie rod and tie rod ends; drag link; control valve and cylinder.
- 5. PNEUMATIC SUSPENSION** Compressor assembly; air dryer; solenoids; relays; height sensors; air-adjustable shock absorbers, air bags; wiring; controller.
- 6. SUSPENSION** Strut bar and bushing; upper and lower control arms, shafts, and bushings; upper and lower ball joints; steering knuckles; wheel bearings; stabilizer shaft, linkage, and bushings; kingpin and bushing; spindle and spindle supports; coil and leaf springs.
- 7. AIR CONDITIONING** Compressor; clutch and coil; condenser, evaporator; POA valve; accumulator; orifice tube; temperature control programmer; idler pulley and bearing; receiver-dryer; blower motor; high/low/cutoff switches, and pressure cycling switch; expansion valve.
- 8. BRAKING/AIR-HYDRAULIC-ABS** Master cylinder; power assist booster; wheel cylinders; combination valves; hydraulic lines and fittings; power brake cylinder; backing

plates; springs, clips and actuators. Air brake compressor, tank, auto bleeder valve, diaphragm, treadle, disc caliper, compensating valve and slack adjusters; ABS control unit, actuator and wheel speed sensors, parking brake assembly.

9. ELECTRICAL Starter; alternator; voltage regulator; distributor; solenoids, relays; manually operated switches, wiper motors; gauges; window motors and regulators; window defrosters, mirror motors and controls; power antenna and motors; seat motors; power door lock actuators; cruise control transducer, servo and engagement switch; turn signal switch; dashboard clock; dual battery paralleling switch, back up alarm.

10. ELECTRONIC IGNITION Electronic ignition control module and all related sensors; electronic engine timing control unit and sensors, electronic spark detonation sensors and controller; coil(s).

11. HEATING/COOLING Water pump, including impeller shaft, bearings and bushings; radiator; heater core; thermostat; fan; fan clutch; fan motor and controller module; coolant recovery unit; fan shroud; electric block heater.

12. FUEL DELIVERY Fuel pump; fuel pressure regulator, fuel tanks; metal fuel lines; fuel distributor; fuel injection pump; fuel heater; fuel injectors (excluding contamination); auxiliary tank switch; electronic fuel mixture control unit and sensors.

SEALS AND GASKETS ON ALL COVERED COMPONENTS LISTED ABOVE.

TOTALCARE TOWABLE/BOX

TotalCare Towable/Box covers all the parts listed below (13-27), PLUS many more...

STATED COMPONENT TOWABLE/BOX (13-27)

13. HOT WATER HEATER Burner assembly; tank; thermostat; thermocouple; gas valve; electronic ignition assembly; PC board; fittings and connections; heating element, hydromic heating system.

14. WASTE SYSTEM Toilet; holding tanks; gate valves and connections.

15. FRESH WATER SYSTEM Water pump; compressor; water lines; fittings; faucets; water tank; fittings and connections, shower head.

16. AIR CONDITIONER (ROOF/CENTRAL)

Compressor; evaporator; relays; thermostat; condenser; condenser fan, accumulator, expansion valve, receiver dryer, blower motor; high/low cut off switch, pressure cycling switch, PC board.

17. RANGE AND OVEN Microwave; PC board; ignition assembly; burner assembly; thermostat; thermocouple; burner valves; power hood fan motor(s).

18. L.P. GAS SYSTEM Regulators; valves; gauge; pigtailed; L.P. lines; fittings and connections.

19. HEATING SYSTEM Furnace; ignitor; burner assembly; thermocouple; gas valve; thermostat; blower motor; PC board; fittings and connections.

20. REFRIGERATOR Thermostat; thermocouple; cooling unit; burner assembly; ignitor, control panel; PC board.

21. ELECTRICAL Ventilation fan(s), battery isolator, power step motor and control module, limit switch, converter/charger, inverter, power control panel.

22. SUSPENSION Leaf springs; torsion bar suspension; wheel bearings.

23. BRAKES Wheel cylinder; hydraulic or electric brake actuator; lines, fittings and connections.

24. AWNINGS Mechanical only (excluding canvas or fabrics).

25. LIFT CRANK SYSTEM (Factory-installed electric or manual); Cables and pulleys, motor(s), switches; tongue jack.

26. TAXES, FLUIDS AND FREON ON REPAIRS AS REQUIRED.

27. AUXILIARY POWERPLANT/GENERATOR (Factory or Factory Authorized Only) All internally-lubricated parts of the power-plant engine; starter; switches; regulator; generator assembly, power converter; inverter; cylinder head and block, seals and gaskets; PC board, fuel pump.

SEALS AND GASKETS ON ALL COVERED COMPONENTS LISTED ABOVE.

OPTIONAL VEHICLE FEATURES

(Included on TotalCare Coverage)

DELUXE APPLIANCE COVERAGE Dishwasher; in-sink disposal unit; stand-alone freezer; ice maker; trash compactor; central vacuum cleaner system; under-counter coffee maker; convection oven; washer/dryer motor, gearbox and heater unit; rear camera monitor system, VCR, television(s), tape deck(s), C.D. player(s), AM/FM radio, TV antenna, satellite dish motor and receiver, carbon monoxide detector, alarm sensors, controller and activation panel.

HYDRAULIC/ELECTRIC LEVELING JACKS Motor; pump/jack assembly, control unit, actuators and sensors, lines; fittings; and cylinders; motor, worm gear, tracks, limiting switches and wiring harness; fittings and connections.

SLIDE OUT ROOM UNITS Pump assembly, control unit, actuators and sensors, lines; fittings; and cylinders; motor, worm gear, tracks, limiting switches and wiring harness; fittings and connections.

ADDITIONAL BENEFITS

Rental Car Reimbursement

Providing you with transportation for up to six days your RV is in the shop for a covered repair.*

Towing Reimbursement

Reimbursement for towing services, up to \$300 on a covered repair.*

Trip Interruption

Food and lodging reimbursement of up to \$500 per occurrence to take care of you and your family if you breakdown away from home.*

Tire Road Hazard Protection

Coverage for the most common cause of roadside breakdown. *(1)

Service Calls

Reimbursement for actual expenses up to \$75 per occurrence in addition to normal parts and labor charges for covered repairs.*

Plus, when you need to have a repair made while you are away from the selling dealership, the repair facility will be paid directly by the administrator using our corporate MasterCard. That means that neither you nor the repair facility need to wait to be reimbursed for a covered repair.

*See your actual extended vehicle service contract for details. See individual state requirements page. Benefits may vary to conform with the laws of your state.

⁽¹⁾Not Available in Louisiana.
