Safe-GAP Total Loss Protection
protects you from the "GAP"

SAFE-GUARD
Products International, LLC

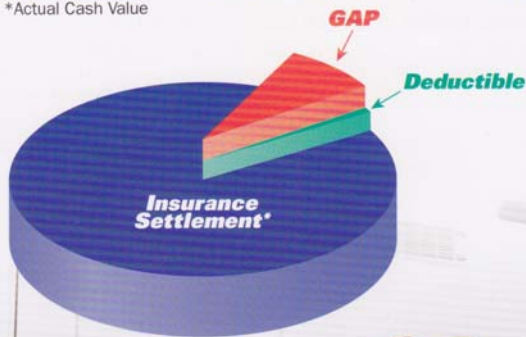

What is the "GAP"?

In the event of RV theft, or an accident that results in a total loss, most insurance companies only reimburse the owner for the market value of the unit. This, along with the deductible, can create a significant gap between what your insurer will pay you and the balance on your loan or lease.

Let Safe-GAP eliminate this GAP for you.

Loan/Lease Balance	=	\$125,000
Insurance Settlement*	=	\$115,000
